Bisley WORKWEAR

BISLEY WORKWEAR IS A PROUD PARTNER OF REAL MEN WEAR PINK RAISING FUNDS FOR RESEARCH INTO THE PREVENTION AND CURE OF BREAST CANCER.

REAL MEN WEAR PINK

WITH BISLEY WORKWEAR

Bisley Workwear has seen an opportunity for the Workwear community to give back by sponsoring and supporting the National Breast Cancer Foundation (NBCF). Bisley will be donating \$3 from the sale of each Pink Shirt in its range to NBCF and has aligned with NBCF as a Platinum Partner for the Real Men Wear Pink campaign.

Real Men Wear Pink is a fundraising initiative of NBCF which aims to challenge men and the community to fundraise for a great cause and wear pink in recognition of the women in their lives.

After years of associating the colour pink with breast cancer and women, the concept aims to challenge men to embrace the feminine shade and ruffle the masculine image of a rugged, tough, brawny man's man.
